CONHS STUDENT HIGHLIGHTS

The lab staff and Professor Harrel received training on the use of our two new Obstetric Mixed Reality HoloLens. By synchronizing holograms with the physical world, Obstetric MR allows students to see inside the VICTORIA birthing simulator to observe the dynamic physiology underlying difficult deliveries. For more information, please follow this link:

CONHS nursing students from Care of Children & Families (Pediatrics) Course at TAMUCC recently participating in their teaching project presentations to campus students. Thank you CONHS Assistant Professor, Dr. Adrienne Platt and ECDC School Nurse Angie Guerrero, for your leadership and support of our amazing students.

DON'T FORGET

2022 FACULTY & STAFF GIVING CAMPAIGN

It is that time of year when we all have the opportunity to give to the university. You can contribute as little as a one-time \$5.00 donation or as much as you want. You can give to various scholarship funds, Izzy's pantry, or dozens of other options.

Please join me in helping us achieve the goal of 100 % participation. To access the form for payroll deduction and information about the many options,

Click on:

<https://www.tamucc.edu/institutional-advancement/payroll-deduction/>

If you have questions, please contact Pam Greene at pamela.greene@tamucc.edu

Thank\$!
