2022 Spring Student Research Symposium

On Friday, April 8th, the TAMUCC Division of Research and Innovation (R&I) hosted the 2022 Spring Student Research Symposium for graduate and undergraduate researchers in the College of Science and Engineering, the College of Education and Human Development, and the College of Nursing and Health Sciences. Participants were invited to give oral and/or poster presentations.

CONHS Student Participants

Taylor Barge, Matthew Castillo, Pauline Cornejo, Cameron Duck, Emily Statzer, Jared Krause, Anh Khoa Hoang, Deja Jackson, Samantha Salinas, Shanei Womack, Chelsey Faris, Samantha Nino, Mike Teach, Leona Wilfred, and Gabriella Ayarzagoitia

Well done!

CONHS Evaluators

A heartfelt thank you to all who contributed their time and energy to the symposium. The phenomenal success of the student research symposium is a reflection of the ever-increasing dedication and enthusiasm you display on a continual basis. This event would not have been a success without your involvement.

A special thanks to Dr. Pamela Greene for her outstanding leadership.
