CONHS COMMUNITY HIGHLIGHTS

CONHS Supports Our ECDC Partner

The CONHS faculty and staff joined our partner, the Early Child Development Center (ECDC), to celebrate the ribbon cutting of their newly designated CCISD Pre-K4 school. Later that day, the CONHS passed out candy and Islander leis at the ECDC Trunk-or-Treat.

Star Journey Wellness Event

On Oct 29th, ABSN students participated in the the STaR Journey Wellness event. They participated in a FunFit session designed by Kinesiology students, attended teaching/learning sessions offered by College of Education Students, and presented on their own wellness content to other students and the community.

CONHS STUDENT HIGHLIGHTS

CONHS OB Nursing Class

Students in Assistant Clinical Professor, Cathy Harrel's OB nursing class worked in groups creating Next Gen style "bow tie" questions with the normal newborn content presented by guest lecturer, Assistant Clinical Professor, Leigh Shaver. The students then traded and practiced these questions in class. It was a Boo-tiful start to our Halloween!

CONHS Simulation Lab - Pre-Nursing Students

Students from Assistant Clinical Professor Shelley Dinkens' Nursing Success class came to tour the SCLC. They were able to perform various skills, including CPR, NG tube insertions, IV insertions, suctioning an intubated patient, and observed the birthing simulator in action. The SCLC enjoyed having these potential nursing students tour and participate in these hands on learning activities.

HESI A2 with Critical Thinking Workshop

The Student Success Office offered a HESI A2 with Critical Thinking Workshop for pre nursing Islanders to provide support and resources to help them prepare for the exam and "be at their best to test".

Pre-Nursing Seminar Class

BSN Program Coordinator/ Assistant Clinical Professor, Rosario Garcia, Faculty in Residence/MSN Program Coordinator, Dr. Heather DeGrande, and Student Success Coordinator, Johanna DuBose, visited the pre-nursing learning community seminar classes. We appreciated the opportunity to connect with pre-nursing Islanders who are on track to start in the nursing program in Fall 2024.
