EXPLORING INNOVATIVE STRATEGIES TO ENHANCE HEALTH

Dean Aziz welcomed the Corpus Christi-Nueces County Public Health District's new director Dr. Fauzia Khan to the CONHS. Joined by Assistant Director Dr. Dante Gonzalez, Assistant City Manager Steve Viera, and Executive Management Assistant to the Assistant City Manager Carina Lopez-Vela. The team toured campus and enjoyed a working lunch to explore innovative and targeted strategies to enhance the health and well-being of our local community.

REINFORCING SKILLS AND BEST PRACTICES

The CONHS was proud to support the 2022 Fall Orthopaedic Symposium. Presented by the Orthopaedic Center of Corpus Christi, the symposium presented best practices for orthopaedic physical exam techniques, diagnosis of musculoskeletal disorders, and evaluation of imaging.

Walk to End Alzheimer's

On November 12th, SNA lead the "Texas A&M University Corpus Christi Nursing Students" Team at this year's Walk to End Alzheimer's. According to statistics given at the opening ceremony, this has been the largest Walk to End Alzheimer's Corpus Christi has hosted. We are so happy we could contribute to raising awareness for this year's walk and look forward to working with the Alzheimer's Association in the future.

Outstanding Islander Award

Congratulations to Alyssa Hinojosa on winning the Outstanding Islander Award. Alyssa demonstrates both a caring attitude, community responsibility and true leadership ability. She has served as treasurer, vice-president and president of the Health Science Association, always seeking higher levels of responsibility. She was inducted into the National Honor Society of Leadership and Success where she served as a SNT Facilitator; she is a TAMUCC Achieve Scholarship recipient and is a Dean's list scholar.

Congratulations!

ISLAND DAY 2022

Island Day was a great success! Leigh Shaver, Dr. Danielle Durant, and Dr. Qianqian Liu delivered two sessions of “Welcome to Nursing and Health Sciences” in Center for Instruction 138. Ms. Denise Byrne, Assistant Clinical Professors Sandy Stokes, Petra Martinez, Beth Johnson, and SNA volunteers showcased the CONHS Simulation and Clinical Learning Center. Matthew Sanchez, HSA president-elect, presented about opportunities in health science and health care administration. The Student Success team, Ushma Saraf, Bryana Cazarez and Johanna DuBose, welcomed future Islanders and their families. Thank you to CONHS faculty, staff, and student volunteers for representing the College and supporting recruitment!

Message from HSA

ABSN Students – Final Project

ABSN students collaborating on their final project for Issues – a creative depiction of the issues that had been discussed. Each student created an individual piece depicting a nursing issue that we discussed this semester using creative techniques that enhanced fine-motor skills. Then they collaborated, practicing leadership, problem-solving, and communication skills, to create two works that will be displayed on the 2nd and 3rd floors of Island Hall. The layout was their own concept and had to include additional elements (more than their own individual elements) and they had to all agree on one statement that represented them as a team to be written on the back of the piece.

PURPLE FOR
PREMATURITY
AWARENESS

Please join us on Tuesday,
November 29th in a brief departure
from blue to purple to raise
awareness about prematurity.

EVERY FAMILY DESERVES THE BEST POSSIBLE START.

Prematurity affects too many moms and babies and is significantly fueled by the health equity gap in our health care system, communities and institutions. Throughout November, Prematurity Awareness Month, [COMPANY NAME] is raising awareness and funds to fight for full-term pregnancies for every mom and baby.

AWARENESS ACTIVITY

If you can wear it, make it purple! Tell employees to wear purple to raise awareness, and to have their friends and family get in on the action, too.

Post messages on Facebook, Twitter, Instagram and TikTok — be sure to tag @marchofdimes and use #PrematurityAwarenessMonth and #WorldPrematurityDay in your posts!

FUNDRAISING ACTIVITY

Encourage employees to donate in honor of World Prematurity Day, November 17, to support lifesaving research and community-based programs to improve the health of every mom and baby.

MATERNAL AND INFANT HEALTH WEEK

Our week of action and advocacy is a time to fight prematurity and improve outcomes for all families.

- November 15: March of Dimes Report Card announcement and agenda delivery day — keep an eye on our social media channels.
- November 17: World Prematurity Day, and Healthy Moms, Strong Babies Webinar wear purple and tune in.
- November 19: National Volunteer Day — visit marchofdimes.org to find out how you can help provide Meals that Matter to families in need.

WEAR PURPLE

Wear any shade of purple to show your support!

TAMALADA SOCIAL

FRIDAY, DECEMBER 2ND
11:00 AM - 1:00 PM
UC ANCHOR BALLROOM

MEMORANDUM

TO: All University Faculty, Staff, and Retirees

SUBJECT: Tamalada Social

It is with my deepest appreciation for your hard work over the last year that I invite you to attend the annual Tamalada Social on Friday, December 2, from 11 a.m. to 1 p.m. at the University Center Anchor Ballrooms.

In addition to lunch, there will be great entertainment, music, and prizes! The ugly sweater competition is back, so be sure to deck the halls with your most creative, terribly ugly sweaters for a chance to win ugly, uglier, and ugliest place!

Administrators are encouraged to make necessary arrangements so that all faculty and staff have the opportunity to join in the festivities. The full lunch fiesta, featuring delicious tamales with all the fixings, sides, chips and salsa, and decadent desserts should be enjoyed at the event with colleagues and friends.

I, along with all members of President's Cabinet, wish you great health and happiness during the remainder of the semester and over the much-deserved winter break. Thank you for your continued commitment to every student's success!

With best regards,

Kelly M. Miller
