CONHS HIGHLIGHTS

THE KENNEDY FOUNDATION

The CONHS SCLC hosted board members from the Dr. and Mrs. Hugh Kennedy Foundation. Longtime supporters of the community, the board members toured the CONHS facilities, learned about various nursing and healthcare programs, and discussed the benefits to the local community.

Community Outreach

DRISCOLL HEALTH PLAN LEADERSHIP

This week, Dr. Aziz and Dr. Murphey welcomed the Driscoll Health Plan leadership team, Dr. Karl Serrao, Craig Smith, and Stephen Collins, to the CONHS. During their visit, they discussed community health priorities, the education of the healthcare workforce, and strategies to maximize health outcomes for South Texans.

CONHS HIGHLIGHTS

ELSEVIER TRAINING DAY

The Nursing Education Department was hard at work on 11/22/22 completing an all-day in-service regarding Next Generation (NGN) HESI exams. The department also completed focused training in August, which provided an in-depth review of NCSBN's recommendations regarding NGN NCLEX Exam Preparation for faculty and students. This is part of the department's goals focused on preparing BSN students for the NGN NCLEX roll out that begins Spring 2023.

The department has also named five faculty members as NGN Champions to head up efforts regarding department readiness and student success. The champions are Assistant Clinical Professors Cathy Harrel, Dr. Cynthia Delanie, Beth Johnson, Teresa Ercan and Rosario Garcia.

A special thanks to Assistant Clinical Professor, Rosario Garcia, for coordinating these valuable trainings. In addition, the department is excited to announce that she has been accepted as a NCSBN Exam Developer and will be assigned to work on select panels within the next 2 years. Congratulations Rosario!

CONHS HIGHLIGHTS

PLAY HOUR

Some of the ABSN students wanted to have a 'play' hour, so Dr. DeGrande obliged them and they blew off a little stress steam in a friendly volleyball match. It was a blast!

PHOTOGRAPHER HIGHLIGHTS MIXED REALITY TECHNOLOGY IN THE CONHS

The University Photographers' Association of America, an international organization of college and university photographers, recently awarded TAMUCC photographer Edgar De La Garza 3rd place in the November 2022 Image Competition for his photo highlighting the use of mixed reality technology in the CONHS undergraduate nursing program. Congratulations Edgar!

SNA AND COMMUNITY PARTNERSHIPS

The SNA members partnered with members of the New Neighbor League (NNL) of Corpus Christi. Members of NNL made nearly 50 lapgahans (small blankets) and SNA members provided personalized deliveries to residents at St. Gabrielle's.

CONHS STUDENT SPOTLIGHT

OUTSTANDING ISLANDER GRADUATE

Congratulations to our CONHS student, Alyssa Hinojosa, for being selected as an Outstanding Islander Graduate 2022. She will earn a Bachelor of Science in Healthcare Administration. To read the full TAMUCC article, please click the link below:

ISLANDER IMPACT

I made an Islander Impact in my community by being a psychiatric nurse for over a year now. I see many patients who are way better than when they first came in, due to medication and therapy. I administer and provide teaching about medications, communicate with physicians and therapists, and assess the milieu and intervene when necessary. I use what I learned in my TAMUCC classes on a daily basis from therapeutic communication to Med Surg to leadership. I love what I do and am so thankful for TAMUCC equipping me with the tools I needed to be successful!
