CONHS CPR EVENT

FEBRUARY 6, 2023

CONHS, in partnership with the American Heart Association, hosted three Family & Friends CPR courses for TAMUCC faculty, staff, and students. The event was well attended. I’d like to thank Ms. Lisa Snell and Ms. Ashley Dominguez for coordinating the successful training and all volunteers who provided practical assistance throughout the day. Your willingness to give so freely of your time and service is greatly appreciated. Your support of CONHS mission and vision allows us to serve the campus community.

On January 31, 2023, Dean Aziz hosted the inaugural meeting of the TAMUCC CONHS Advisory Board. Comprised of highly respected leaders from the fields of education, healthcare, and business, members will serve as liaisons to the College of Nursing and Health Sciences and provide learned insight into the needs and priorities of our community as we strive to educate the next generation of highly qualified healthcare professionals.

Welcome

HSA HEALTH FAIR

Health Science practicum students and HSA took part in the HEALTHY MOM, HEALTHY BABY! Community Resource Fair. Students provided direct education to parents on the importance of establishing healthy oral hygiene habits for their children and conducted demonstrations of proper brushing and flossing techniques.
In their ‘Transitions’ course, the first group of final semester students completed their multi-patient simulations in Islander Regional Hospital. Faculty members, Barbara Flato and Shelly Hernandez led their clinical groups through three days of high-fidelity simulations in the acute care setting.

Mondays are always fun with the ABSN students in the SCLC. The students are ready for their pediatric clinical rotations after spending time in the SCLC getting hands on practice.
Safety first! In the SCLC, the Fundamentals students discuss and practice techniques for positioning patients, performing range-of-motion exercises, and moving, lifting, and ambulating patients. They also reviewed the importance of patient care ergonomics and how to incorporate them into nursing practice and patient care.

NURSING APPLICATIONS

Fall 2023 Nursing Application is Now Open

We are currently accepting applications for the Fall 2023 nursing program. Students must complete an online application to the College of Nursing and Health Sciences using Nursing CAS.

Students may only apply for one track into the program. The student’s choice must be designated on the Nursing CAS application.

Deadline for submission is February 15, 2023 by 10:59 p.m. CST.

Enriching lives, advancing healthcare, one at a time.
Could you survive a month living in poverty?

It is difficult for those of us who have enough to truly understand the situations that families living in poverty experience every day; the decisions they must make, and the fears and frustrations they feel. For this reason, we are inviting you to walk a mile in the shoes of those facing poverty by participating in the Community Action Poverty Simulation (CAPS). The CAPS provides participants with the opportunity to assume the role of a low-income family member living on a limited budget.

In collaboration with the CONHS, you are invited to participate in a 4-hour simulation, each of which represents one week in which you must provide for your family and maintain your home.

Two Individual Sessions will be held:

Date: March 9, 2023
Session 1: 8:00 am - 12:00 pm  Session 2: 1:00 pm - 5:00 pm
Location: Lonestar Ballroom A and B

To sign up for a poverty simulation session, CLICK HERE

When space is full, the link will be closed.

DONATIONS ACCEPTED
JANUARY 23, 2023 - MARCH 1, 2023

DONATION BOX WILL BE LOCATED OUTSIDE CONHS ADMINISTRATION OFFICES IH 326
