Could you survive a month living in poverty?

It is difficult for those of us who have enough to truly understand the situations that families living in poverty experience every day; the decisions they must make, and the fears and frustrations they feel. For this reason, we are inviting you to walk a mile in the shoes of those facing poverty by participating in the Community Action Poverty Simulation (CAPS). The CAPS provides participants with the opportunity to assume the role of a low-income family member living on a limited budget.

In collaboration with the CONHS, you are invited to participate in a 4-hour simulation, each of which represents one week in which you must provide for your family and maintain your home.

Two Individual Sessions will be held:
Date: March 9, 2023
Session 1: 8:00 am - 12:00 pm  Session 2: 1:00 pm - 5:00 pm
Location: Lonestar Ballroom A and B

To sign up for a poverty simulation session,
