The Society for Simulation in Healthcare (SSH) serves a global community of practice enhancing the quality of healthcare. Each year, the SSH sponsors Healthcare Simulation Week to honor global professionals who use simulation to improve the safety, effectiveness, and efficiency of healthcare delivery.

The TAMUCC CONHS celebrates Healthcare Simulation Week September 18-22, 2023. This year's national theme is "Be a Champion of Your Success Story!" and the members of our CONHS Simulation and Clinical Learning Center team are certainly champions of simulation nursing education!

Thank you, Manager/Faculty Lisa Snell, MSN, RN, CHSE, Supervisor Ashley Dominguez, BSN, RN, and Coordinators Denise Byrne, BSN, RN, and Lina Roel, BSN, RN.
Healthcare Simulation Week is September 18th-22nd

Simulation and Clinical Learning Center Student Workers - Lily & Ysve

Enriching lives, advancing healthcare, one ISLANDER at a time.
FNP students were taught how to correctly complete a head-to-toe physical exam. FNP students are required to complete this physical exam checkoff to begin clinical.

Thank you to the following volunteers who helped make this event a success:

- The Importance of a Good Health History Lecture, Abdominal Exam-Dr. Robert Andelman MD
- Diabetes Lecture, Typhon, Clinical Guidelines -Dr. Dixie Andelman DNP, FNP
- Neuro/Derm Exam-Juaniece Miller FNP
- Cardiology Exam- Dr. Cheryl Gordon DNP, FNP
- Female Exam-Beth Johnson FNP and Dr. Sandra Golaszewski DNP
- Ortho Exam- Kelli Dahlgren FNP
- Respiratory Exam-Audra Deardorf FNP
- Male Exam - Brandi Smith FNP
- ENT Exam- Dr. Elizabeth Loika DNP, FNP
- Sports Exam - Dr. Cheryl Gordon FNP and Alice Finegan FNP
- Heart/Breast Exam-Dr. Tammy Walker-Smith DNP, FNP

IH323

Enriching lives, advancing healthcare, one ISLANDER at a time.
Thank you Dr. Kooshiar and Dr. Luo for coordinating and hosting a “Welcome New Faculty” Potluck Dinner.
Could you survive a month living in poverty?

It is difficult for those of us who have enough to truly understand the situations that families living in poverty experience every day; the decisions they must make, and the fears and frustrations they feel. For this reason, we are inviting you to walk a mile in the shoes of those facing poverty by participating in the Community Action Poverty Simulation (CAPS). The CAPS provides participants with the opportunity to assume the role of a low-income family member living on a limited budget.

In collaboration with the CONHS, you are invited to participate in a 4-hour simulation, each of which represents one week in which you must provide for your family and maintain your home.

Two Individual Sessions will be held:

Date: November 1, 2023
Session 1: 8:00 am - 12:00 pm  Session 2: 1:00 pm - 5:00 pm
Location: Anchor Ballroom A, B, and C

Students Register to Attend Here  Faculty & Staff Sign up to Volunteer Here
Sim Lab Week 4 - Health Assessment

Assistant Clinical Professor Beth Johnson’s Health Assessment students practiced gathering a health history and completing head and neck assessments in the SCLC this week. Over the semester, students are taught to systematically assess patients from head-to-toe in an organized manner.
Faculty & Staff are invited to attend the Dr. Hector P. Garcia Day celebration on Wednesday, September 20, 2023, from 2-3:30pm in the Mary & Jeff Bell Library.

For a full listing of Hispanic Heritage Month events at A&M-Corpus Christi, scan the QR Code.
Fundamental nursing students continued with their Clinical on Campus lab sessions. This week’s topics were sterile gloving, sterile principles, urinary catheterization, and oxygen delivery devices. Assistant Clinical Professors Bernal, Griffis, and Martinez are shown diligently preparing their students to begin clinical rotations in the hospitals soon.

Islander Family Weekend
October 6-8, 2023

Saturday 10/7: 9:30-Noon
Celebrate CONHS Style with Siggy the Giant Colon! Take a tour of the Sim Lab, in an open house come and go event. Hands-on activities will be set up for all students and family visitors to participate.

For more info, FAQs & a full list of events, visit the Family Weekend page here:
CPR classes for the first semester nursing students have begun. All students must be certified in Basic Life Support before they begin clinical rotations. The classes are conducted by the CONHS CPR Team, made up of both SCLC lab coordinators and clinical faculty. Having the classes in the new CONHS Multipurpose Lab has been wonderful giving the students plenty of space to practice important life-saving skills!
CHRISTUS is seeking to bring on 20 (possibly more) part-time students to assist in testing of all devices (computer workstations) throughout all 6 hospitals: Shoreline, South, Surgical, Alice, Beeville, and Kingsville.

Rate of Pay: $15.00 + mileage reimbursement for travel to Alice, Beeville, and Kingsville
Start Date: October 23rd
