

News and announcements

## Important Program Updates

Online Dive Training is now available:

- To access online dive training log into TAMU-CC BlackBoard (<https://bb9.tamucc.edu/>) and access the link to "Dive Training Program"
- The video on the welcome page contains instructions for navigating the online training courses.
- Completion of online dive training is required for the Scientific Diver certification.
- Please complete the online evaluation and you are encouraged to email questions to the DSO ([dive@tamucc.edu](mailto:dive@tamucc.edu)).

## Training Schedule Updates

Be sure to register before the cutoff date!

---

## Tech Tip

Match your regulator type to your cylinder valve  
Be sure to carry the adapters needed

Remember  
"DIN screws in"

If you have a DIN cylinder valve and a yoke regulator, simply add the removable fitting into the valve using an allen wrench, shown above.

If you have a yoke cylinder valve and DIN regulator, use a DIN to yoke converter, shown below:
