## **Divemaster Course Available**

Divemaster is a professional certification that teaches divers how to supervise divers and to assist instructors during training courses. TAMU-CC plans to host a divemaster course starting in Spring, 2022. To qualify, you will need at least 40 logged dives, and hold Advanced Open Water (must obtain from a dive shop), and Rescue Diver certifications.

If interested, please email the DSO at [dive@tamucc.edu](mailto:dive@tamucc.edu), limited spots are available. We will schedule courses based on candidate schedules. Approximately 10 training days will be required, please see course requirements below:

### **Certification Requirements**

- **Complete knowledge development segments including Knowledge Reviews in the PADI *Divemaster Manual* or through Divemaster Online, and pass the Divemaster Final Exam.**
  - **Create an Emergency Assistance Plan for a designated dive site.**
  - **Complete waterskills exercises.**
  - **Complete a diver rescue assessment.**
  - **Complete the dive skills workshop and assessment.**
  - **Complete practical application skills.**
  - **Complete divemaster-conducted programs workshops.**
  - **Complete practical assessments.**
  - **Meet the professionalism criteria.**
-
