Program Requirements

The Bachelor of Fine Arts with Teacher Certification is a professionally oriented undergraduate art degree. It requires a minimum of 60 semester hours of art course work. Students are expected to spend at least one hour per week in the studio for each upper division semester hour of studio enrollment.

Admission to the BFA-TC Program

Admission to the BFA-TC is by special application. Such application can be made upon the completion of 30 semester hours of Art course work, and **MUST** be made before the completion of 48 semester hours of Art course work. Students must also have at least a 3.0 GPA in all TAMUCC coursework.

The application is available at <https://www.tamucc.edu/liberal-arts/departments/art-and-design/undergraduate/index.php>

To apply for admission to the BFA-TC program, students must submit all of the following items to the Art Department, CA105 by the deadline:

1. A completed Bachelor of Fine Arts application form.
2. Transcripts documenting all college course work completed.
3. A portfolio of art work. (Specifications for the Admissions Portfolio are given below.)

Application Deadline: April 15 if applying for Fall semester; November 15 if applying for Spring semester.

Review of Application. Applications are reviewed by an admission committee composed of regular members of the art faculty. Decisions made at this time are final. Reviews are held early in May and December of each year, at the close of each semester. The admission committee has three alternatives in considering an application for admission to program:

1. To admit the applicant to the BFA-TC program.
2. To deny admission to the BFA-TC program with the recommendation that the applicant continue in the Bachelor of Arts degree program.
3. To defer a decision to allow the applicant an opportunity to prepare additional work to strengthen certain specified areas of the portfolio. The admission committee will resolve each deferral at the next fall or spring semester review date and either admit or deny the applicant to the BFA-TC program.

BFA-TC Admission Portfolio Specifications and Submission

The portfolio must contain 10-15 examples of artwork executed in college art classes. Work included in the portfolio should be selected carefully and should include examples of both two-dimensional and three-dimensional pieces in a variety of media.

A formal **PowerPoint presentation** containing the portfolio images and an accompanying image list must be submitted.

Image Requirements

- Dimensions: 1920 pixels on the longest side
- File format: Save all images as BASELINE Standard JPEG. Do not save as a Progressive JPEG
- File size: JPEGs must be under 1.8 MB
- Color space: Save images in an RGB color space, preferably SRGB
- Naming of files: "lastname_title of piece", (i.e., smith_art.jpg)

A list of works will be labeled and numbered to correspond to an index sheet which is to include the artist's name, title of the work, and information pertaining to the size, media and other pertinent features of each piece.
