

MUSIC

Vocal Performers

1. Two complete songs or arias in different styles, time periods, and/or languages, sung from memory.

Examples:

- A Classical song in Italian and a Musical Theatre song in English
- Two Classical songs from different time periods, one in a foreign language
- A folk song in Spanish and a Classical song in English
- Pop songs are generally not appropriate for a college audition.

MUSIC

If in doubt about the repertoire, please reach out to the voice faculty.

Video recordings of the two songs must be presented with live or recorded piano accompaniment.

A collaborative pianist will be provided to accompany live auditions.

2. Vocalize a major scale up to the top of your range, and down to the bottom of your range. Use a syllable of your choosing.
3. Be prepared to demonstrate sight-reading skills.
