## As you begin this Action Plan, here are a few important things to consider:

- Review the [Pre-Dental](#) webpage before you complete this Action Plan, or as you are working on it.
- No matter if you are a freshman or a senior, it's important to consider what dental schools you plan to apply to early on in the process, as that will drive your choice of prerequisite courses and experiences.
- At the end of this document, there is a section where you can start researching dental schools and review their application profile.
- Remember - the more you fill out and the more specific you are in your answers, the better Dr. Gonzales will be able to help you.
- When you have filled out this document to the best of your ability, you may make an appointment to discuss your plan with Dr. Gonzales. To schedule an appointment, follow the "Make an Appointment" link on the Health Professions home page.

## Dental School Research

When researching dental schools that you would like to apply to, it can be helpful to compare different schools. In the following table, we have included some of the criteria that is important to look at when researching different schools.

### Step 1: Dental School Comparisons

Search programs by using the Dental School [online directory](#). Expand this table to match your number of schools and criteria! Please explain how each school fulfills the criteria you are considering.

School Name ↓	Criteria 1 GPA/DAT (averages for matriculants)	Criteria 2 In-State/Out-of-State %	Criteria 3 Required number and type of LOR	Criteria 4 Expected Prerequisites

## Step 2: Other Criteria Selection

Choose the criteria that are important to you. Some examples include (not an exhaustive list):

- ✦ Application fee
- ✦ Tuition
- ✦ Financial aid options
- ✦ Number of applicants / Percent accepted
- ✦ Specialty choices
- ✦ Student body/school size
- ✦ Accredited program?
- ✦ Combined degree programs
- ✦ Early Decision Program?
- ✦ Residency rates (In-state vs. Out-of-state)
- ✦ Secondary application required?
- ✦ Percent of students with advanced degrees
- ✦ On campus housing available?
- ✦ Community service required (as part of the curriculum)?
- ✦ Research / Thesis required (as part of the curriculum)?
- ✦ Diversity of student body
- ✦ Location and climate
- ✦ Applications accepted from international applicants?
