

iGrad Financial Education Online Program Faculty Interest Form

This form is for faculty who teach undergraduate STEM and/or Kinesiology, Nursing, and Health Sciences courses that are interested in embedding financial literacy into their undergraduate courses. The Office of Digital Learning and Academic Innovations (DLAI) will be available to help you with your online needs.

Faculty Information:

Last Name: _____

First Name: _____

Office Phone Number: _____

Email Address: _____

Department: _____

Your undergraduate course titles you think would be appropriate for embedding:

How many total students do you think would take advantage of this option? _____

Please check off the courses from the iGrad list below that you think your students would gain the most benefit. There are additional courses in iGRAD that you can also choose once you have access:

Banking courses offered:

- Creating a budget (and sticking to it) (15 minutes)
- Setting up an emergency fund (30 minutes)
- Creating a financial plan for your priorities and goals (20 minutes)
- Banking with financial institutions (15 minutes)
- Banking beyond checking and savings (15 minutes)

Credit Cards courses offered:

- Using credit cards responsibly (20 minutes)
- Understanding credit reports and scores (12 minutes)
- Mastering credit and optimizing your score (20 minutes)

Student Loans courses offered:

- Borrowing smart and preparing for higher education (20 minutes)
- Finding scholarships to help pay for school (15 minutes)
- Staying on track with student loans while in school (25 minutes)
- Repaying your student loans (18 minutes)
- Protecting yourself from identity theft and scams (20 minutes)

Post-graduation courses offered:

- Maximizing your earning potential and developing your career (15 minutes)
- Finding your dream career (18 minutes)
- Assessing your insurance needs (45 minutes)
- Understanding your paycheck and W2 (18 minutes)

Currently there is a stipend of \$500 available for each of the first 20 faculty who request to embed at least one course this year. If you want to embed in more than one course you can but there are no additional funds. Next year there will be an additional 15 stipends available for faculty who have not been previously funded.

If you are not one of the first 20 faculty members, would you still be interested in embedding the iGrad program?

- Yes
- No

Would you be interested in being on a waitlist?

- Yes
- No

Thank you for your interest. I will be in touch with you within one week.
